The GDCs enhanced CPD scheme

The GDCs enhanced CPD scheme commences for dentists from 1st January 2018 and for DCPs from 1st August 2018. There are various changes happening in 2018 and we've been working really hard behind the scenes to create new content and packages to support dental staff to be ready.

The key changes are:

- **Non-verifiable CPD:** All CPD now needs to be verifiable. Non-verifiable CPD will no longer count toward CPD hours.
- **Annual CPD statement:** You will need to submit an annual statement to the GDC confirming the number of hours CPD that you have undertaken that year. You have to submit this even if no hours have been undertaken.
- **Annual CPD hours:** Each GDC registrant must complete a minimum of 10 hours CPD every 2 years. Failure to comply with this can result in your removal from GDC register.
- **Minimum hours over 5-year cycle:**

Professional Title	Min. hours over 5-year cycle
Dentists	100 hours
Hygienists/Therapist/ Ortho Therapists/ Clinical Technicians	75 hours
Dental Nurses/ Technicians	50 hours
