CPD Courses for the Entire Dental Team

Tempdent provides **GDC verifiable** Continuous Professional Development (CPD) training courses **across the UK** for the entire dental team.

Our sessions are run either at our training premises, or in the comfort of your own practice.

Please see below our list of CPD courses, please note that this list is not exhaustive. If there is a topic not mentioned here that you would like to do, please contact us, we can adapt sessions to be completely individual to your practice's requirements and are arranged at your convenience and to fit in with your business needs. Sessions are available during working hours, evenings or weekends.

Certificates of attendance will be awarded at the end of the course specifying the number of verifiable CPD hours.
