

Part time Functional Skill/ESOL Tutor

Tempdent is a well-established dental recruitment and training company, conveniently based close to the station in Finchley Central, North London. We are the largest dental recruitment and training company in the UK and are looking for an experienced Functional Skills / ESOL Tutor for immediate start

The Duties:

- To carry out initial assessment of learners
- To identify and agree appropriate learning routes to meet individual learning needs.
- Identify training needs and plan and deliver Functional Skills, Maths, English and ESOL.
- To invigilate assessments taken by learners to fulfil awarding body requirements to prove competence in assessed subject.
- To assess and record learner achievement and competence.

Experience and Qualifications:

- Relevant teaching qualifications
- Previous experience of teaching English, Maths or both
- Experience of teaching English to other nationalities
- Lesson planning

Key Accountabilities:

- Manage a caseload of learners
- Ensure that all paperwork/administrative duties are completed in a timely manner.
- Progress all learners to completion in either maths, English or ESOL
- Undertake any other ad-hoc duties as determined by the needs of the business.

The role is part time and we offer a competitive salary.
